About The Event

The Re-UP Experience offers a unique and interactive event with five core areas: Release, Recoup, Remind, Re-mix, and Repeat. Its purpose is to rejuvenate participants mentally, emotionally, and socially while addressing taboo issues that affect families, friends, businesses, and communities. The event includes a brunch with interactive activities, mix and mingle sessions, giveaways, and opportunities to learn from others' experiences. The 1st sold-out brunch was such a hit, it received an encore so we've created RELOADED to happen during the Fall season annually.

- Small intimate setting for more impactful power circles and conversation
- Up to 125 ticketholders
- Over 90K reach in advertising among various platforms
- Opportunity to gain more clients and exposure nationwide

Client Testimonial

"I loved everything, but Friday's brunch was the highlight of the weekend. Shirley's 'Enough Is Enough' was a choker for me. She spoke with a unique blend of vulnerability and strength, effortlessly weaving together heartfelt anecdotes, insightful reflections, and powerful calls to action."
